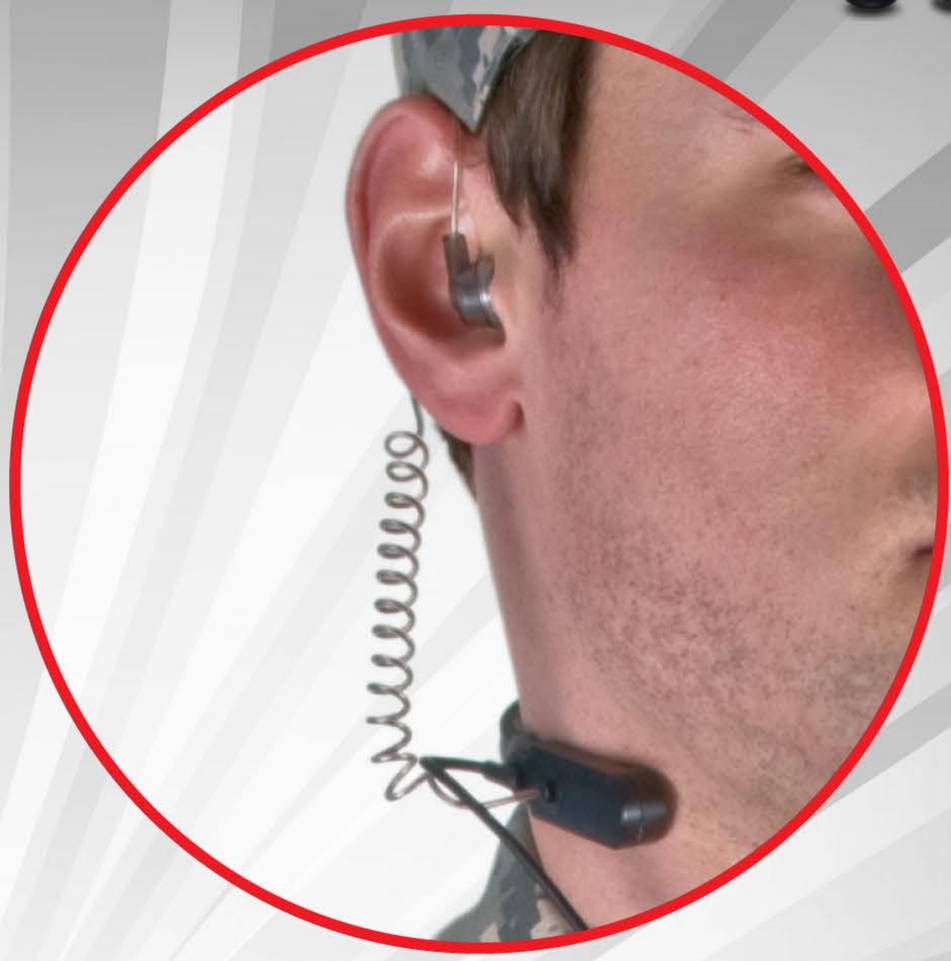
SPECIAL FORCES HEAD SET

FOR PLAYSTATION 3

PS3-SFH



Communicate with precision and style with the Special Forces Headset for PlayStation® 3 from CTA Digital. What makes this headset unique is its throat microphone, which is sensitive enough to pick up a whisper yet clear enough for everyone to hear you in the game environment. This is perfect for covert tactical operations in first person shooting games such as Call of Duty: Black OPS™, or Kill Zone 3™. With an in-ear speaker you're able to hear other players clearly and distinctly. Also included with the headset is an extra long 20 foot cord, so you never have to charge batteries, sync or sit closer to your screen than you'd like to. The comfort and accuracy of the Special Forces Headset from CTA Digital makes it a must have for all tactical war game and first person shooter enthusiasts.

Features Include:

- Powered by USB (20 ft. in length).
- Secret Service like covert styling.
- The throat mic provides clear voice transmission without ambient noise.
